Celebration of Architects Exhibit

The American Institute of Architects Westchester/Mid-Hudson Chapter is pleased to announce the creation of an exhibition of architectural work featuring member firms. The exhibition will be titled "A Celebration of Architects...The Art of Architecture". The exhibition is open to the general public as a vehicle to present the work of area architects as well as to introduce the services and talent available to the public. All AIA members regardless of firm size may participate. The exhibition will take place at the Westchester Arts Exchange (ground floor gallery), 31 Mamaroneck Avenue, White Plains, NY 10601 from Thursday November 19th thru Sunday November 22nd 2009.

Please respond to the enclosed application and send it to Grandberg & Associates Architects if you are interested in joining us to reserve your place in this event.
